Minutes of the 2022 Annual General Meeting of Exeter CND

Held at Newtown Community Association building in Belmont Park (EX1 2DH) Exeter at 8:00pm on Friday 29th July 2022.

Prior to the AGM (6:30 to 8pm) Carol Turner (Vice Chair of CND, co-chair of London region CND, and an activist within Labour CND) gave an excellent talk with interspersed discussions; CND is needed more than ever because of 3 things; (1) War in Ukraine: Will last a long time and the potential for nuclear escalation will increase. UK is the second largest provider of weapons for Ukraine. Main CND call: for Russia to withdraw and for a de-escalation and opportunity for negotiation to consider both Ukraine and Russia. (2) Military buildup in Asia-Pacific: Pivot to China away from the cold war. Concern about AUKUS trilateral treaty. China recognised as a growing economic and military power. US has been building up forces in the Pacific rim. (3) Expansion of NATO: NATO's policy has expanded to say that it is prepared to use nuclear weapons in a non nuclear war. Move towards small battlefield nukes (of the scale of Hiroshima). Finland and Sweden are now being fast-tracked into NATO. And US nukes are coming back to RAF Lakenheath. Finally: the Treaty on the Prohibition of Nuclear Weapons (TPNW): Is growing in numbers gradually. Exeter Peace Shop is a unique opportunity to explain what is happening in the world.

(Members present for the talk – but not the AGM – were Malcolm, Laura and John)
